Please note:

- We pay the lenders directly
- No reimbursements
- No payments made to patient
- We do vet patient's doctor
- Max granted is \$2,000 but this is very rare
- Estimated 4-week turn-around time *once* patient's file is in order
- Grants are only awarded ***once*** & are ***not*** a residual month-to-month payment
- Patients are eligible to re-apply every 12 months & must resubmit everything

Patient will be notified upon receipt of application. Once all the above information is received, then their case will be submitted to our patient financial aid committee for consideration. As soon as a decision has been made on their case; we will then reach out to the patient with the verdict. Bills will then be paid, and a letter will be mailed to the patient with copy of any payments made for their records.
