

Blanket Of Hope Care Packages:

When someone is diagnosed with pancreatic cancer, it helps to know they are not alone. We offer a special care package for any patient with this disease. Each contains a purple blanket and other items to keep you or a loved one comfortable during treatment.

We send out hundreds of Blanket of Hope care packages each year—over **4,500** total.

Are you interested in having a Blanket of Hope care package or a patient aid application sent to you or someone you know? Fill out the included form and send it to our main office, or apply online.

Patient Financial Aid Program:

At Project Purple, we know that the medical bills and everyday living expenses do not stop because of a pancreatic cancer diagnosis. Due to the physical toll of the disease and treatment, many patients are unable to work. We can help!

We offer a patient financial aid program to assist with living expenses such as rent/mortgage, utilities, and medical bills.

Nutrition Assistance Program:

Project Purple is now providing healthy and convenient pre-made meals to our patients and their families. Our goal is to continue helping patients focus on recovering from pancreatic cancer.

Some restrictions apply. Not available in all states.
Visit our website for more info.
